

# Stowe Family Law SRA Diversity Data 2023

All law firms regulated by the Solicitors Regulation Authority (SRA) are required to collect, report, and publish a summary of their workforce diversity data.

In June 2023 Stowe asked colleagues to complete a voluntary diversity survey and 124 colleagues (41%) from across the firm participated.

The data gathered brings valuable insight into our current workforce and informs plans that support diversity, inclusion and belonging in our growing team.
